

ACT! by Sage 2010 System Requirements

Important Note: All minimum system requirements are based on a single-user environment (one computer accessing a local database). In a shared environment, ACT! by Sage is designed to work with up to 10 users and ACT! by Sage Premium and ACT! by Sage Corporate Edition are designed to work with more than 10 users. Recommended server system requirements are for environments of more than one user. Customer registration and activation are required to use ACT! by Sage. Your system must meet the minimum requirements to be eligible for technical support.

ACT! by Sage 2010 Minimum System Requirements
